## **PUBLIC NOTICE**

### **EXTENSION OF 2024 CUSTOMS LICENSES VALIDITY**

Notice is hereby issued to the General Public that the Commissioner for Customs and Excise has extended the validity of the 2024 Customs Licenses. This extension applies to vehicles conveying transit goods (C28), vehicles conveying goods under customs control (C40), Customs Clearing and Forwarding Agents (CFA), Customs Bonded Warehouses, Manufacturing Under Bond (MUB), Internal Container Depots (ICDs), and Container Freight Stations (CFS).

Following concerns from operators, the Commissioner has taken note and is extending the validity date to 31st March 2025, superseding the previous extension which was set to expire on 28th February 2025.

All business operators holding Customs licenses for 2024 are urged to use this additional time to complete the necessary processes and secure their licenses within the stipulated renewal period. No further extensions will be granted after this date.

For those who encounter challenges with the new application system, a support center has been established in the conference room on the 4th floor of the TPA New Building to provide assistance.
